An impressive sport record, excellent character, and impeccable pedigree make Calucci an exciting choice for breeders. He competed in the jumpers through 1.45 meters with both professional and amateur riders. His sire, Calido I, has offspring earnings over 2.78 million Euros in sport. Grandsire Acord II was the winner of his Stallion Test with 146 points overall. He earned scores of 9 or higher for jumping ability and rideability. Great-grandsire Contender is a legend whose influence has been strongly felt by showjumping, eventing, and dressage breeders across the world.

Calucci's foals are consistently demonstrating his sensible attitude, athleticism, strong topline, and good bone. Sport horse breeders of all disciplines appreciate the athletic pedigree and versatility Calucci offers.
